~~Resolution~~ Reference.

Read the following ~~fxx~~ paper:-

Letter from Khan Bahadur Md.Bazlullah Sahib Bahadur, C.I.E., C.B.E., Collector of Bellary, Ref.C.No.5550/25-B-2, dated the 3rd November 1925.

The Government in their orders No.785 Rev., dated the 28th May 1925 and No.1480 Mis., Rev., dated the 23rd September 1925 have sanctioned postponement of the collection of Loan instalments of 1334 in 40 villages of 31 villages of Bellary Taluk.

2. For want of timely ~~rains~~ rains the mungari crops in the Bellary taluk generally have all but failed and many petitions have been and are still being received praying for postponement of Takkavi collections. The Revenue Divisional Officer has

reported that the Takkavi arrears cannot be collected without undue hardship to the ryots as they have not been able to lay by anything after discharging their Land Revenue ~~dies~~ dues. The collection of loan instalments was temporarily suspended by my predecessor in anticipation of the Board's sanction.

In the circumstances I request that the collection of Takkavi instalments of fasli 1334 may be suspended in the remaining villages of the Bellary taluk.

3. The amount to be suspended in these villages comes to Rs.54465/-.

The postponement has occurred as we are now with fasli 1335. These instalments of fasli 1334 must have been payable 2 years ago i.e. out of the proceeds of the 1924-25 harvest. The relevance of the failure of the mungari crop of this fasli is not obvious. Kurup Ident. & I beg understands the position. Ident. Should like it clearly explained.

~~The postponement has occasioned~~

~~This~~ This means, anyway, heavy dues to be collected in the current year fasli 1335.

Query (1) Reference is solicited to Rule IX of Loans Rules at p 61 of the Takkavi Manual, which provides that when an instalment is suspended

all the remaining instalments on the loan shall be postponed for one instalment. Vide also Note 2 to the rule at p 62 of the Manual. The period of postponement is treated as a 'dead period' and only one instalment is collected at the next due

Query (2) Please see Rule V of the Loans Rules at p 57 of the Takkavi Manual which runs as follows:—

'Loans shall ordinarily be repayable by equal annual instalments.... but if the borrower desires to make half-yearly payments, he shall be allowed to do so.... The date for the payment of each annual or half-yearly instalment of principal and interest shall be so fixed as to coincide, if possible, with the date of payment of one of the Land Revenue Kists of the District.

In cases where half-yearly payments are allowed one half of the instalments will be paid on a Kist date & the other on some date six months from the date of the first payment — vide note 2(iii) on p 68 of the Manual.
